BOOK SYNOPSIS

With delightful illustrations and simple prose, Sandy Gingras strips away the complicated, structured way of life we cling to and helps us find perspective and appreciation in simple things - like the beach. How to Live at the Beach is a gift book that is at home anywhere, on any coast, or far from it. For the beach is only a metaphor, and with every reading we are awakened: How we might live, how we can pace ourselves, how we can appreciate our world, how we can love.
