BOOK SYNOPSIS

In *A Survival Guide for Landlocked Mermaids*, artist Margot Datz sees the she-nymph within, struggling to emerge, and in a swirl of whimsical and witty wisdom, lovingly offers tips for today's world of dating, mating, and beyond. The landlocked mermaid is a symbol of the contemporary woman, trapped in a paradoxical dilemma of being part worldly and domesticated, part untamable and intuitive. Margot's beautifully painted, contemporary mermaids are caught in the nets of their own comical dilemmas, circling the hearts fishbowl of romantic longings and in the murky depths of deep emotion. Whether it's the value of cultivating an inner water garden or coping with crows feet and fish tails, Margot offers advice and an enchanting way of hydrating your weary mermaid soul. Coy, sweetly mischievous, and a pinch sagacious, this is a book that, like a good glass of wine, can be enjoyed multiple times, sipped on, or downed in one reading.
