BOOK SYNOPSIS

Samuel Taylor Coleridge was one of the Romantic ages most enigmatic figures, a genius of astonishing diversity; author of some of the most famous poems in the English language, and co-author, with Wordsworth, of Lyrical Ballads; one of Englands greatest critics and theorists of literature and imagination; as well as autobiographer, nature-writer, philosopher, theologian, psychologist, and talker. Throughout his life, he confided his thoughts and emotions to his Notebooks, where we can still see his speculations and observations taking shape. This edition presents a selection from this unique work, newly presented, with notes and commentary, for the student as well as the general reader.

COLERIDGES NOTEBOOKS A SELECTION - Are you looking for Ebook Coleridges Notebooks A Selection? You will be glad to know that right now Coleridges Notebooks A Selection is available on our online library.
