BOOK SYNOPSIS

Traffic signs play a vital role in directing, informing and controlling road users behaviour in an effort to make the roads as safe as possible for everyone. A knowledge of traffic signs is there essential, not just for new drivers or riders needing to pass their theory test, but for all road users, including experienced professional drivers. This fully updated edition of the publication supersedes the previous 4th edition (1995, ISBN 09780115516122) and contains information designed to illustrate and explain the vast majority of traffic signs the road user is likely to encounter.
