## BOOK SYNOPSIS

The New York Times Bestseller, Now in eBook Format and Updated With a New Introduction This is the 20th anniversary of the explosive bestseller that changed the way the world viewed one of the greatest athletes in history, revealing for the first time Michael Jordans relentless drive to win anything and everything, at any cost. NBA Hall of Fame columnist Sam Smith had unlimited access to the team and its players during their championship 1991-92 season, which he details in the new introduction, along with candid revelations about his sources, and the reaction from Michael, his teammates, the media, and the fans when the book blasted onto the bestseller lists in 1992 (where it stayed for three months). With more than a million copies in print, and just published for the first time in eBook format, The Jordan Rules remains the ultimate inside look at one of the most legendary teams in sports history.
